**Unpaid Lunch Policy**

St. Ann Catholic School participates in the United States Federal Lunch Program which requires us to meet certain regulatory guidelines. They are as follows:

We cannot allow a student to charge a meal if they do not have sufficient funds in their account. Families with a zero or negative lunch balance will be notified via e-mail of the delinquency each week. Those families are expected to send in a payment to raise their account to a positive balance of \$3.50 per student. Those who are not able to send a payment at that time, need to send lunches from home with their students until they are able to send a payment. If their lunch account should reach **a negative balance of \$50.00**, they will not be able to order hot lunch and will have to make a phone call home to have lunch brought in by a parent. In an emergency, kids will be allowed to purchase a turkey sandwich.

As a participant in the Federal Lunch Program, we accept applications for Free or Reduced Lunches at any time throughout the school year. If you would like an application to see if you qualify for Free or Reduced Lunches, please click on the link below:
